Capt. Christopher Noon

PROFILE / CAREER SUMMARY

Chris Noon is an experienced Master Mariner. His marine experience spans a period of 43 years of which 14 years of this was spent at sea in ranks up to and including Master. Chris is well versed in port and marine operations, along with a sound knowledge of various cargoes and associated stowage and claims. He strives to provide 'hands on' maritime consultancy and operational services to an organization which values initiative, experience and a high level of interpersonal and problem-solving skills.
